

The written exam will be composed of a mixture of theory questions and exercises concerning the material of slides as well as the note of the lessons.

Two examples of exams are available on the moodle page.

The written exam will last 90 minutes.

During the exam, the students are allowed to bring with them the following items:

- blank sheets of paper;
- 1 pen,
- The calculator;
- The form (4 pages maximum) must exclusively include formulas. Forms containing lesson notes or graphs are not allowed.
