Product Description

Peanut Butter 100% Crunchy is a salt-free, sugar-free nut paste made from the sorting, roasting and refining of premium peanuts. Nuts are a real cocktail of taste and benefits for our organism. It is an excellent source of so-called **'good fats'**, i.e. those that have a positive impact on general health. These are mostly unsaturated fatty acids, such as essential **omega 3** and essential **omega 6**. They also have an **excellent vitamin content** (especially B vitamins) and high mineral concentrations.

Storage

Store in a cool, dry place, away from direct light and heat sources. Once opened, re-seal carefully. The date of last consumption refers to the undamaged product in a sealed package. The separation of oil on the surface is a natural phenomenon that does not affect the goodness of the product. Stir before use.
