Rules.

The test will consist of a written examination with exercises and theoretical questions. In case the answers to the theoretic part are not clear, the teacher might require also an oral test. For the other cases, oral test is optional. The oral test has to be taken within the same session of the written exam. (This means that if one takes the written exam on 1-23 than she-he must take the oral test on either 1-27 or 2-17. If the written exam is in the other dates, then the oral test must be taken at the due date within one week).

In order to be admitted to a test (written or optional oral) one has to register in a list that will be opened in advance on UNIWEB.
