

Erasmus Code	B-GENT01
Destination	Ghent (Belgium)
University	Ghent University
Language / level required	English
Certificate Language required	B2
Level of studies	Master students
Activities	Exams and/or thesis activities
Principal Area	Chemical and Process Engineering, Materials Engineering
Note (additional info)	https://studiekiezer.ugent.be/2024/master-of-science-in-chemical-engineering-en https://www.ugent.be/ea/match/en

Academic coordinator	Martina Roso
e-mail	martina.roso@unipd.it

Research

- Laboratory for Chemical Technology (LCT)
- Industrial Catalysis and Adsorption Technology (INCAT)
- Centre for Textile Science and Engineering (CTSE)
- Mechanics of Materials and Structures (MMS)
- Sustainable Materials Science (SMS)
- Centre for Polymer and Material Technologies (CPMT)

Education

English programmes

- Master of Science in Chemical Engineering
- Master of Science in Sustainable Materials Engineering
- Master of Science in Textile Engineering (WE-TEAM)

Dutch programmes

- Bachelor of Science in Chemical Engineering and Material Science
- Bachelor of Science in Engineering Technology (Chemical Engineering Technology)
- Master of Science in Chemical Engineering Technology
- Bachelor of Science in Engineering Technology (Electromechanical Engineering Technology)
- Master of Science in Electromechanical Engineering Technology
