

Erasmus Code	D-MAGDEBU01
Destination	<i>Magdeburg (Germany)</i>
University	Otto-von-Guericke-Universität Magdeburg
Language / level required	English/German (for courses in English/German)
Certificate Language required	B1 (B2 advisable)
Level of studies	Master's students
Activities	thesis and/or exams
Principal Area	Chemical engineering; Process engineering
Note (additional info)	<p>http://www.vst.ovgu.de/en/ https://www.vst.ovgu.de/vst/en/Faculty/Faculty+structure/Institutes/Institute+of+Process+Engineering.html</p> <p>Although formally the program is with the "Institute of Chemistry", it is suggested select courses offered by the "Faculty of Process and Systems Engineering", specifically in the "Institute of Process Engineering". For theses in the field of process dynamics and control ("process systems engineering"), <u>by prior arrangement</u> I (M. Barolo) can act as the local supervisor. For theses in other fields, contact an UniPD instructor with similar interests.</p>

Academic coordinator	Massimiliano Barolo
