Information Day

“STUDENTS MEET COMPANIES”

Padova, 23rd November 2020, 12:00-14:30

Department of Mathematics "Tullio-Levi Civita" University of Padua

ONLINE ZOOM EVENT

https://unipd.zoom.us/j/83091794546?pwd=dTFFWFdpbnFLbFlMUERGS2ZXUDVXUT09

Passcode 998579

In this information day, prospective students will meet companies and/or research centers that are interested in offering internship activities. After a brief introduction from the Head of the Data Science course, the Career Office will briefly illustrate the aim of the internship activity and the involved practical steps. Hence, companies / research centers will take turns presenting their business / research areas and how data science is useful to them.

Agenda

<u>12:00 – 12:05</u> Welcome speech

- Prof. Marco Ferrante – Prof. of Stochastic Methods and Head of the Master's Degree Course in Data Science at the Department of Mathematics (UNIPD)
