

T.I.M.E. PROGRAM

Top Industrial Managers in Engineering

WHAT'S THE T.I.M.E. NETWORK?

▶ THE T.I.M.E. ASSOCIATION

(Top International Managers in Engineering) is focused on engineering education. It is a network of leading technical universities and engineering schools founded in **1989**.

The members have a strong international dimension in their research, teaching and industrial relations, and are all committed to international cooperation and student exchanges and recognition of studies abroad.

The association consists of **59 members in 25 countries**.

WHAT'S THE T.I.M.E. PROGRAM ?

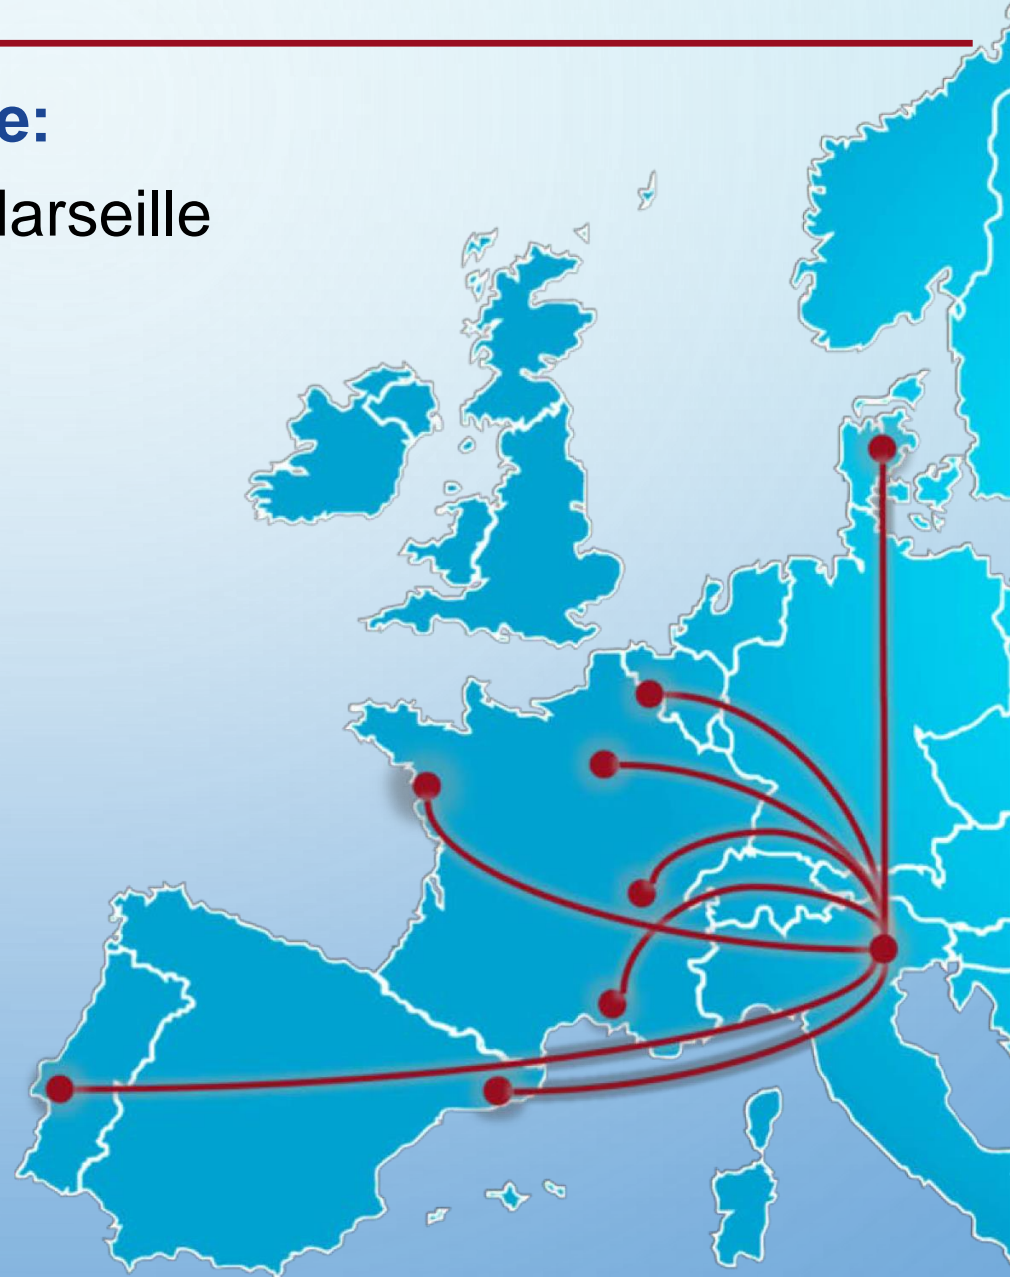

➡ THE DOUBLE DEGREE PROGRAM

The T.I.M.E. program allows students to obtain **two Master degrees in Engineering** (not necessarily in the same area) in two institutions belonging to the network, thanks to bilateral agreements signed between partners of the T.I.M.E. network.

T.I.M.E. PARTNERS OF THE UNIV. OF PADOVA

- **Ecoles Centrales in France:**
Paris, Nantes, Lyon, Lille, Marseille
- **ETSEIB in Spain**
Barcelona
- **DTU in Denmark**
Copenhagen
- **IST in Portugal**
Lisbon
- **YNU Yokohama National**
Yokohama

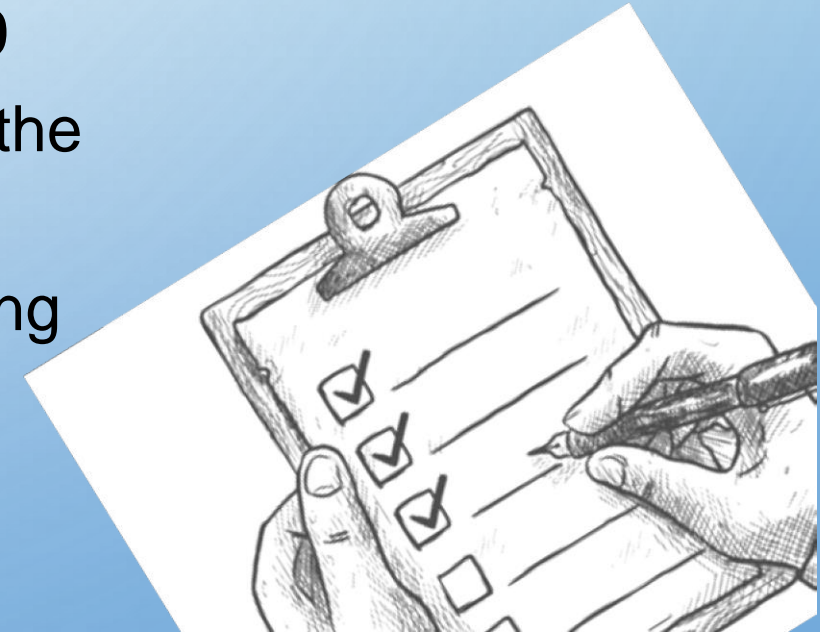

T.I.M.E. PROGRAM: REQUIREMENTS

WHO CAN APPLY?

Students who are enrolled in a Bachelor/Master degree at the School of Engineering of the University of Padova.

ADDITIONAL REQUIREMENTS

- **Average weighted grade** (considering both Bachelor and Master degree exams) **not below 25/30**
- **Minimum number of credits** at the time of the application
- **Minimum number of credits** at the beginning of the mobility period.
- Language skills
- Motivations

T.I.M.E. PROGRAM: SELECTION

➡ HOW DOES THE SELECTION PROCEDURE WORK?

- The selection procedure is based on the evaluation of the curricula and on an interview.
- The requirements to be eligible are checked by the University of Padova both at the time of the application and before the mobility period starts.
- The foreign partner will evaluate in turn if candidates are qualified and motivated.
- A preliminary study plan will be agreed, that meets the requirements of both partner institutions. In Padova the study plan falls under the responsibility of the T.I.M.E. Committee.

T.I.M.E. PROGRAM: FINAL OUTCOME

➤ THE DOUBLE DEGREE

- At the end, the student gets two Master Degrees, one at the University of Padova and the other abroad.
- **The overall study period is increased by 1 year: 6 years (summing up Bachelor and Master degrees)**

➤ instead of 5, for overall 360 ECTS.

2 years must be spent abroad.

T.I.M.E. PROGRAM: FINANCIAL SUPPORT

➤ FELLOWSHIP TO SUPPORT STUDENTS ABROAD

- 1st YEAR: except for Yokohama (supported by UniPD) all students are supported by the Erasmus+ fellowship (so, there are constraints on the number of non-EU students who can participate in the program).
- 2nd YEAR: supported by UniPD.

THE T.I.M.E. COMMITTEE

- Chair: **Prof. P. Brunello**
- Resp. Information Eng. area: **Prof. M.E. Valcher**
- Resp. Civil Eng. area : **Prof. P. Salandin**
- Resp. Industrial Eng. area : **Prof. D. Pavarin, Prof. Scarso**
