For candidates in possession of an Italian qualification governed by legal rules other than those of Ministerial Decree 509/99 or Ministerial Decree 270/04, the curricular requirements will be assessed by the Admissions Committee.

1. Language skills (only for the Management Engineering curriculum):

English – Listening and reading comprehension	Level B2 or higher, to be certified through:
	- a university exam at level B2 <i>or</i> - possession of an international level B2 certification

If candidates cannot provide a suitable language certification or a university exam at level B2 (information at <https://ingegneria.unipd.it/requisiti-inglese-lm-ingegneria>), they may demonstrate their language skills by passing a level B2 English comprehension test at the University Linguistic Centre (CLA). More detailed information on the procedures and dates is available on the CLA website <https://cla.unipd.it/test-linguistici/futuri-studenti/> and on the School of Engineering website <https://ingegneria.unipd.it/requisiti-inglese-lm-ingegneria>

N.B. Even when candidates are in possession of the admission requirements for the degree programme, the Admissions Committee may, in any case, provide information for further study that is suggested in order to allow candidates to undertake the Master's degree programme successfully.
